I sent Rob the Bayless-Weaver Ridge package on Nov 10th and forwarded the Big Bend link on Nov 14th, calling it possibly a better example (the email below). Slawson is the operator for the Big Bend AE. I don't believe I have sent any other examples.

David,

I cannot find the email in which you sent Rob the horrible example AE package they have ripped apart. All I have is your note to me asking me to send the packages to the Water Board and what I sent were Bayless and Big Bend. I wonder if you sent Slawson yourself and Douglas had included some warning about it.

Hello Janice and John,

We are forwarding two examples of AE packages, from EPA Region 8. One is attached, the other is a link (below) to the EPA Region 8 website for the entire package, including the State's submittal, and EPA's decision document.

Sincerely,

Michele Dermer

Hi Rob,

It was suggested to me that an even better example of an aquifer exemption request submitted to Region 8 is available through the link below. In any event, I think both examples help to show that a more narrowly focused application/request is the goal. If you are around next week, let's plan to have a brief conversation to follow up on our meeting and the two examples we sent in case any additional questions arise.

Have a good weekend.

David
